

Haunted House in Alpha 2017

OCTOBER 20st and 21nd!

SPONSORSHIP FORM

"A unique and scary way to raise funds for our area youth and nonprofit organizations while providing a family seasonal event for our community"

Last year we did our very first Haunted House in Alpha. We did it for a benefit for Robbie Ivey to help get his handicap van and along with helping the Alpha Mastodon Fire Department raise funds as well. We would like to continue this event in our community every year, but open it up as a fundraising event. Last year we raised approximately \$4,000.00 in 2 nights for Robbie Ivey's van. 100%! We are asking area business to donate to this event as well. This will help the non-profit and youth groups, raise money they need to be able to do their special projects. We are a not for profit and the groups are 501 C3 and your donation is tax deductible.

As a business sponsor, you will be included in all of our advertising such as radio ads, event flyers, and our Facebook and social media pages based on what tier package you select!

Business name: _____

Contact Person: _____
