

Haunted House in Alpha 2018

OCTOBER 26st and 27th!

SPONSORSHIP FORM

"A unique and scary way to raise funds for our area youth and nonprofit organizations while providing a family seasonal event for our community"

Last year we did our second annual Haunted House in Alpha. All money raised goes to non-profits. 2017 no-profit groups were 4H Animal House, Helping Hands of the U.P., and Crystal Theatre Costume Closet. Each group received over \$1000 to be used for their organizations, repairs on buildings, sending kids to trainings and seminars, and Christmas gifts for children and more

2016 Haunted House was a benefit for Robbie Ivey to help get his handicap van and along with helping the Alpha Mastodon Fire Department raise funds as well. We would like to continue this event in our community every year, but open it up as a fundraising event. Last year we raised approximately \$4,000.00 in 2 nights for Robbie Ivey's van. 100%!

We are asking area business to donate to this event as well. This will help the non-profit and youth groups, raise money they need to be able to do their special projects. We are a not for profit and the groups are 501 C3 and your donation is tax deductible.

As a business sponsor, you will be included in all of our advertising such as radio ads, event flyers, and our Facebook and social media pages based on what tier package you select!

Business name: _____

Contact Person: _____

Sponsorship Tiers are on the back side:
